513 Parkside Circle, Streamwood, IL 60107

January 2022

Dear Parents and Guardians,

St. John the Evangelist School provides a comprehensive faith-based education to its students. Tuition is an important factor in our ability to our continued success, and tuition payments are an investment in the education and religious foundation for your child.

Fr. Gregg, the Parish Business Manager, School Board, and I have had many discussions regarding tuition and fees for the 2022-2023 school year. The key component to all the discussions have been stressing the need to keep the tuition affordable for all and as transparent as possible. For the 2022-2023 school year, there is a 3% increase in general tuition. All necessary fees such as Technology, FACTS, etc., have been rolled into general tuition.

We recognize that meeting the financial obligations associated with sending your child to St. John the Evangelist school can be challenging. We will encourage all families who need support to complete the financial aid assistance tool provided by FACTS. Additionally, please remember that the Illinois Tax Credit Scholarship Program is available to qualifying families. It is not too late to apply for the program - and I encourage you to do so at <http://empowerillinois.org>. We are happy to provide more information as needed; please contact the office for assistance.

**There is an option to receive a 3% discount on the annual tuition if you pay by cash or check ONLY.** In order to receive the discount, the tuition must be **paid in full by August 15, 2022**. Credit card payments can no longer be used to qualify for this discount. You may make several payments if needed between July 1st and August 15th to receive the discount as long as the total amount due is paid in full by the deadline. See below for discounted rates.

The 2022-2023 Tuition Rates are detailed on the following page. Multiple payment options are available using FACTS Tuition Management System.

Sincerely,

**Mrs. Beth Wennerstrom**
